

FACULTY POSITION IN IMMUNOLOGY
DUKE UNIVERSITY MEDICAL CENTER

The Department of Immunology invites applications for a TENURE-TRACK Assistant Professor faculty position.

Outstanding candidates working in all areas of immunology are invited to apply. We particularly encourage applications from candidates working in the areas of (1) host defense against pathogens, (2) innate immunity and (3) lymphocyte function. We also encourage applications from candidates studying the immune response using intravital microscopy.

Interested candidates should submit their application electronically to:

Dr. Michael S. Krangel

Email: krang001@mc.duke.edu

Website: <http://immunology.mc.duke.edu/recruitment>

Applications should include a curriculum vitae, a statement of research interests, and the names of three references.

***Applications will be considered on a rolling basis
until November 15.***

Duke University Medical Center is an Equal Opportunity/Affirmative Action Employer.
