

Assistant Professor Faculty Position in Immunology

Emory University School of Medicine

The department of Microbiology and Immunology, Emory University School of Medicine invites applications for a tenure-track position at the Assistant Professor level within the broad field of immunology. Senior level immunologists with outstanding familiarity in both innate and adaptive immunity will be considered. We offer a highly interactive collegial research environment with state of the art research facilities. Visit our website: <http://www.microbiology.emory.edu> for more information on our department faculty, and links to our graduate programs. Applicants are expected to have a PhD, MD or equivalent degree with at least three years of postdoctoral training. The successful candidate will be expected to establish and maintain a vigorous extramurally funded research program, and to participate in our strong graduate training program. Candidates should submit curriculum vitae, description of research interests (about 2 pages), and have three references sent to: Immunology search committee, co Mrs. Gail Mooney, Department of Microbiology/Immunology, 1510 Clifton Road, Mailstop 1940-001-1AD, Emory University School of Medicine, Atlanta, GA 30322, or electronically to gmooney@emory.edu.

**Applications will be reviewed beginning November 15, 2011
and continue until the position is filled.**

*Emory University is an Equal Opportunity/Affirmative Action Employer.
Applications from women and ethnic minorities are strongly encouraged.*
